WHY WE DO WHAT WE DO - Our purpose and why we exist – REVELATION 4:11

We are industrious Americans taught since childhood to be something, to do something, to _____ things with what we have been given. Because of this we require information. We must be able to understand and implement *what* needs to be done and *how* to do it; we thrive on the *how* and *what*. We often live or die on the details—we say things like, “*the devil is in the details*” ... “*he is a detail man*” ... “*pay attention to the details.*” When we know *how* and *what*, we think we’re ok. However, we are Bible _____ Christians. When we want to get things accomplished for the Lord, we forget it is not like getting things done in the world because we have an enemy trying to sidetrack or stop us. We tend to get frustrated when do not get the _____ we want for Christ.

We need more than just a plan; we need a _____ of the spirit within the human heart—inspiration from the Holy Spirit of the living God is necessary. Human motivation for God’s follower’s is never borne of *how* and *what*. A moving of the _____—watershed moments that transform a person’s life and decisions that change lives are *only* made when people know the *why*.

1. Our purpose and _____ we exist

- Gal. 1:3-5; 1 Cor. 6:19-20; 10:31; Eph. 3:20-21 – To _____ God

2. The original commission

- Be fruitful and multiply – Gen. 1:28a
- It only stands to reason, the more people there are to glorify God, the more _____ he gets
- You can reach the world... our church can reach the world...

Suppose you set your heart to _____ disciples... you lead one person to Christ and spend the next year building, teaching, and training that new believer to grow to maturity, to give witness of their faith and build up others, teaching them to _____ themselves. At the end of the first year there would be two. Ideally speaking, if this process were to continue indefinitely, with you and the other disciples multiplying each year, the total number of people reached and grounded in truth would reveal the following:

<u>Years</u>	<u>Disciples</u> (born-again followers of Christ—multipliers)
1	2
2	4
10	1,024
19	524,288
20	1,048,576
25	33,554,432
26	67,108,864
27	134,217,728
33	_____

This is Jesus' only plan, today in this age, to reach the world. It can start with you. Does your life testimony give you the ability to multiply?
