

COINCIDENCE: A sequence of events that although accidental seem to have been arranged

God tells us that living a quiet and peaceable life is good and acceptable in his sight, but that doesn't mean our lives have to be boring and uneventful. A Christian in the center of God's will should lead a purposeful life containing elements of passion, affliction, love, excitement, pain, mystery, surprise, adventure, humor, and warfare. So when life seems dull or maybe it's just not going "our way" ...it may be that we are not identifying the work of God in our lives. Sometimes the best way we can _____ to God is by learning how to look for him.
